Things I Need Done

Add On (Check if desired)

Annual Inspection | \$90

Includes: Major Leak Test, Suit
Bath, Zipper Cleaned, Wax & Valves
checked (Not included in DRIS warranties)

Spare Seals (or systems)

Latex
Neck | \$36
Wrist | \$30

Silicone
Neck | \$73
Wrist | \$53

Call for DUI Zip Pricing.

P-Valve &/or Pocket Install

Mark on the suit the area where
you would like it installed using
white chalk/paint pen.

Leak Test (Must check one)

Major | \$65 (Recommended)

We check the whole suit for
issues - Included in Annual Inspection.

Minor | FREE

Our work only. If we see an extra issue,
we will perform & charge you for a major
leak test. We are not looking for other
issues though, just testing our work.

All repairs are handled off-site by an expert team of technicians. In certain cases, additional repairs may be suggested upon inspection of your suit by our team and additional changes may apply. We will contact you for approval. Turn around time is approximately 2 weeks from time of payment.

*If not provided it can cause delays as we work will NOT start until information is provided.

**Please send your suit insured by a carrier that provides tracking info (UPS, FedEx, Etc.) Scuba.com is not responsible for suits that are lost to us in transit. Do not send drysuit bags or extras. We only want what we are working on (please send with all valves including p-valves, and seals). \$25 charge for installing Fusion Skins, Waterproof Skins, Mustang Skins back onto/into suits. If the skin is sent with the suit, we will assume you want to pay \$25 and have it re-installed and will be billed appropriately.
